# Supporting Israeli Communities During Operation “Roaring Lion”

**Our goals:**

- Strengthen community resilience
- Reduce stress and anxiety
- Create safe spaces for processing and relief
- Support and activate local communities

On February 28, 2026, Operation “Roaring Lion” began. Hundreds of missiles and drones were launched from Iran toward Israeli cities.
As Israelis face ongoing attacks, Tikkun and the Hamahanot HaOlim Youth Movement mobilized to support communities and strengthen the civilian front through educational and community programs.

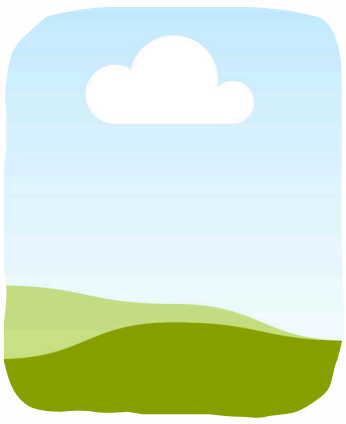
## Help us provide stability and support for children and youth during this difficult time

### Educational programs for children and teens in municipal shelters

Programs for teens in the Eshkol region near Gaza

### Educational centers for children from evacuated families

Community activities tailored to local needs and municipalities



**Your support makes this work possible**
